**ENVIRONMENTAL SAMPLE TESTING APPROVAL NOTIFICATION**

Dear Mr. Ourihane

We are pleased to inform you that following our visit to your lab and based on your response to our inquiry; your Sabrinel laboratory is **approved** by Mondelēz International for **Salmonella & Listeria analysis in environmental samples** (PEM swabs/water testing). This approval does not however cover finished product or raw material testing.

Certificates of analysis (for environmental samples only) issued by your laboratory are accepted by Mondelēz International.

Please note, that a re-evaluation of all approved laboratories will be performed on a pre-defined schedule. This will include a self-assessment per the "Pathogen Laboratory Checklist" and the review of regular participation in a Mondelēz International approved proficiency test for the pathogens of concern. Mondelēz International declares the option to include your laboratory in a proficiency test at any time later on.

Yours sincerely,

Dr. G. Aldis
